

Our 10<sup>th</sup> annual Agriculture for Autism tournament and tradeshow is August 13, 2018, Westwood Plateau, Coquitlam BC. All funds raised support the registered Canadian Charity, The Pacific Autism Family Network. (PAFN)

PAFN serves children and families, across British Columbia, living with autism spectrum disorder.

Over the past 9 years, this event has raised over \$280,000.00. Funds have supported much needed items, including a LifeSkills Classroom at PAFN.

This year our goal is to raise another \$100,000.00 – to open a PAFN spoke office in the Fraser Valley.

We invite you to participate in this event.
