

PAFN and Agriculture for Autism invite you to participate and support.

Our 10th annual Agriculture for Autism Auction is online at www.32auctions.com/saccomaniacs **Ending April 29, 2018** All funds raised support the registered Canadian Charity, The Pacific Autism Family Network. (PAFN). PAFN serves children and families, across British Columbia, living with autism spectrum disorder. CRA registration number: 821845286 RR0001

Over the past 9 years, this event has raised over \$280,000.00. Funds have supported much needed items, including a LifeSkills Classroom at PAFN. This year our goal is to raise another \$100,000.00 – to open a PAFN spoke office in the Fraser Valley.

We invite you to participate in our auction, and received corporate visibility from our 100,000+ network.
